TALENT Security Office, CIA

NIC TALENT Control Center

REF : [ ] dated 26 November 1956

1. On 7 December 1956 the National Indications Center was approved as a TALENT Control Center. At present this Center is located in Room BC-956, The Pentagon (Code 131, Extension 77496), and is officered by:

Mr. James J. Hitchcock, Director  
Col. Dalton Smith, USAF, Deputy Director, and  
Mr. Thomas J. Patton, Senior I.O.

Messrs Hitchcock and Patton are TALENT Cleared, the TALENT Clearance on Col. Smith is pending.

2. TALENT material will be delivered to Mr. Hitchcock or Mr. Patton at NIC directly during regular duty hours by appointment; if neither is available such materials will be left with the Army TALENT Center for forwarding as in the past.

3. In the event of an emergency requiring direct delivery of TALENT materials to NIC during off-duty hours one of the cleared NIC officials will be contacted by the TCO/OCI and requested to stand by at NIC to receive such materials.
